# TOMAHAWK MISSILE

## THE GAME

Light years away in a distant galaxy one of the seven moons of Zolarin in the Lunar Sea of Zion, you, the Commander of the lunar submarine "Marauder", fight the incoming onslaught of the Zionite fighters!

The Zionites hover overhead dropping nuclear depth charges as they use their powers to evaporate the waters in the Lunar Sea. Risking their own lives, the Zionites dive — attempting to ram your submarine

As Commander your respond to the Zionite attack by maneuvering your submarine around the Zionites and their nuclear depth charges, unleashing the firepower of your Tomahawk Missiles!

## PLAY APPEAL:

- Fast action adventure blockbuster!
- Progressive difficulty — increasing challenge as game progresses
- Spectacular and colorful visual explosions and reverberating sound effects.
- Bonus submarines awarded
- "Mystery" U.F.O.s worth 800 bonus points
- Player's submarine is driven into shallower water each time a suicide Zionite slips past
- In an attempt to destroy your submarine, Zionites will randomly drop nuclear depth charges
